Good Morning,

A warm welcome to all of you, on behalf of Rector Luca Vago, AMISta Association, and colleagues of Department of Informatics, University of Milan. We are delighted to host E-Leader Milan, a three-day conference, at Sala Lauree Room here today.

Let me remark at this venue with participants from Nova Lima, **Brazil**; Olomouc, Prague, **Czech Republic**; Biella, Milan, **Italy**; Warsaw, **Poland**; **Singapore**; Ljubljana, Maribor, **Slovenia**; Bedfordshire, Chester, **UK**; New Orleans, Louisiana; Charleston, South Carolina; San Diego, California; Salisbury, Maryland; Kerrville, Texas; Orangeburg, New York, **USA**; and others. This might be perceived as an anticipation of more visitors enjoying Milan for EXPO2015.

Let me suggest then to post your best experiences during you stay here on CASA website as a promotion, via your first-hand testimonial.

I will be available to further interact with you. Please visit this website, <http://www.tv-4u.eu/masteriDTV/convenzioni.html>. Click you preferred language. The goal is to help our graduates to find better jobs and to assist start-up companies to become more profitable.

Regards,
