offers undergraduate (3 years programmes)

and

postgraduate (2 years programmes) level

- Is the **leading private business school** in Slovenia.
- We have over **20 years of experience** in the provision of courses focused predominantly on entrepreneurship.
- We offer a **high-quality, practically-oriented undergraduate and postgraduate courses** through the utilization of **modern teaching methods**.

Key facts about the study

- The study is **harmonized with the Bologna Declaration** - and therefore comparable to similar studies in Europe;
- The programs have been **accredited by the Ministry of Education** of the Republic of Slovenia.
- The coursework and activities are designed to suit small study groups and promote both, **creativity and interactivity**.

Our advantages

- **Internationally** acclaimed professors with considerable practical experience;
- **Modern teaching methods;**
- Theoretical knowledge combined with practical experience;
- **Tutorship** – individual help for students;
- During the study a student acquires general skills in the field of **Economics and Management;** and **specific topics for Entrepreneurship** (innovation, creativity, business growth etc.)
- The possibility of becoming a member of the **Alumni Club GEA College** after graduation.

Modern teaching methods

- tuition runs interactively, which enables students to transmit their own business experience into the educational process;
- team work in groups;
- work on case studies;
- simulation of business negotiations and decision-making;
- preparation of personal business strategy, business workshop.

Tutorship

Every GEA College student gets his/her **TUTOR**, a “personal teacher” who:

- directs the student's development;
- motivates the student;
- gives advise on professional and study issues;
- supports the students personal progress.

Study of Entrepreneurship

...is the right decision, if you want to:

- be ready to take the risk and to develop your own business opportunity;
- manage your own projects and teams inside different companies and organizations.
